

Animal Therapy

- Brushing and stroking the cats Tabby, Bravado, Cilla and Smudge. We also have a resident mouse catcher Finn who wanders around site.
- Walking the goats Billy and Benny and also brushing them.
- We have 7 chickens, the children check for eggs and help fill up their hoppers (food).
- Hope, the pig loves getting a scratch behind her ear by the children and adores the occasional banana skin.
- Our two Donkeys Kenny and Chloe who are always wanting attention for grass and love being brushed.
- We have two guinea pigs called Millie and Molly, they love to be outside eating grass and being fed kale by the children.
- Our children hold our two stick insects and watch them crawl up their arm!
- one gold fish .

RDA

- Bella is our mild natured pony who loves taking

the small children round the ménage.

- Largo, our gentle giant loves to play pony games such as weaving through bean bags and cones.
