

Area of School	ASDAN Course
Jupiter	<p>PDP Silver & Bronze – Redeveloped for 2021, ASDAN's Personal Development Programmes (PDP: Bronze, Silver and Gold) offer imaginative ways of developing, recording and certificating a wide range of young people's personal qualities, abilities and achievements, as well as introducing them to new activities and challenges. All the programmes link to nationally recognised qualifications.</p> <p>Expressive Arts Short Course- ASDAN's Expressive Arts Short Course offers exciting and rewarding activities to develop skills and knowledge through all forms of expressive arts. This programme helps learners develop practical arts skills, as well as personal, social and work-related skills.</p> <p>TI Current Affairs - Towards Independence provides a framework of activities to develop and accredit personal, social, work-related and independent living skills. Towards Independence offers formal recognition for small steps of achievement towards a larger goal. There are more than 70 modules, which can be used separately and accumulated to build a record of personal achievement.</p>
Venus, Neptune, Earth	<p>New Horizons - New Horizons is an activity-based curriculum resource which supports the delivery of PSHE, Citizenship and Careers Education. The activities also offer an opportunity to develop communication and numeracy skills in a life skills setting.</p> <p>Key Steps - Key Steps is a comprehensive programme of activities in a range of topic areas covering Citizenship, PSHE, Environment Education, Personal Finance Education, Enterprise and Internationalism. The flexibility and range of Key Steps means that it can be followed for up to three years or for less than one year.</p> <p>TI Developing Communication Skills -</p>
Saturn	<p>Raising Aspirations – Raising Aspirations comprises four modules that have been designed for learners aged 13 and under with special educational needs and disabilities. Each module focuses on a different Preparing for Adulthood pathway (employment, independent living, community inclusion and health). Modules can be undertaken separately and built into a profile of achievement. For each module learners complete activities and gather evidence to demonstrate their progress and skill development.</p> <p>Transforming Aspirations – The Transforming Aspirations course aims to better prepare young people for the next stage in their</p>

	<p>education and for good life outcomes. The Transforming Aspirations activities provide opportunities to cover the compulsory national curriculum subjects at Key stage 4 (Computing is not included as a standalone subject but can be covered in the optional open activity within each pathway) and are mapped to the four Preparing for Adulthood pathways.</p> <p>Towards Independence - Towards Independence provides a framework of activities to develop and accredit personal, social, work-related and independent living skills. Towards Independence offers formal recognition for small steps of achievement towards a larger goal. There are more than 70 modules, which can be used separately and accumulated to build a record of personal achievement.</p>
<p>Mercury, Mars</p>	<p>Towards Independence: Multisensory Experience - Towards Independence provides a framework of activities to develop and accredit personal, social, work-related and independent living skills. Towards Independence offers formal recognition for small steps of achievement towards a larger goal. There are more than 70 modules, which can be used separately and accumulated to build a record of personal achievement.</p>
