

Maths- Spring term 2021-22

Working at Year Group	Spring Term 1	Spring Term 2
EYFS	Shape and Colour Rhymes and songs with numbers Puzzles Matching colours and shapes	Number Recognition 0-5 Singing songs Games Patterns Counting outside Matching
Y1	Number: Addition and Subtraction (0-20) Number: Counting in 2s/doubling	Measurement: Length and Height Measurement: Weight and Volume
Y2	Number: Multiplication and Division Data: Statistics	Geometry: Properties of shape Number: Fractions
Y3	Number: Multiplication and Division Number: Money, Statistics	Measurement: Length and Perimeter Number: Fractions
Y4	Number: Multiplication and Division Geometry: Number: Area Statistics	Measurement: Length and Perimeter Number: Decimals
Y5	Number: Multiplication and Division Geometry: Number: Area Statistics	Number: Fractions
Y6	Number: Algebra (Function machines, Simplifying) Number: Decimals, Percentages	Geometry: Perimeter, area and volume Number: Ratio

Maths- Spring term 2021-22

Y7	<p>Number: Sequences Use and understand algebraic notation</p>	<p>Number: Equality and equivalence</p>
FSL1	<p>Functional Skills Level 1: Using Formulae (BIDMAS) Squared numbers Fractions</p>	<p>Functional Skills Level 1: Decimals Rounding</p>
FS L1-2	<p>Functional Skills Level 1: Symmetry Angles Data (represent discrete data, mean, mode, median) Probability (express as fractions)</p>	<p>Functional Skills Level 2: Positive and negative numbers Formulae Fractions Decimals and Percentages</p>
Maths Week 24th-28th January	<p>Focus on times tables/number bonds through use of online resources/games/puzzles and problem-solving activities. All activities differentiated to match the needs of each student.</p>
