

Hope House School

Transforming the lives of children living on the Autistic Spectrum

7th March 2022.

Dear Parents/Carers,

We are sorry to inform you that we currently have a high quantity of staff testing positive for COVID-19.

Keeping in line with the schools Policies & Procedures and the school facing an operational challenge with staff absences we have no option but to move to remote learning for the rest of the week. This is to maintain a safe environment for our pupils.

Work packs will be sent home today.

MyMaths, BKSB, Active Learn & Phonics are available online with your logins.

We are hoping the cluster outbreak remains at current levels. However, if this does increase, we may need to take additional action. We will let you know as soon as we possibly can when we are moving back to a fully open school.

We apologise for any inconvenience this may cause.

Kind regards
